ABOUT US

Siem Reap Waxing & Spa was founded by two experienced Spa therapists. Both of us have experience at five star hotels and spas in Siem Reap since 2010.

In December 2018 we decided to offer our services directly to our customers in Siem Reap town. We are offering services like body waxing, hair removal (women & men), massages, body scrubs, facials, pedicures, manicures, and eyelash extensions.

Thank you so much for all of your support!
We would love to serve you again.
